

Duffy - Distant Dreamer

tom:

Although you think I cope G

My head is filled with hope Em

Of some place other than here C D G

Although you think I smile
Inside, all the while
I'm wondering about my destiny

I'm thinking about
All the things
I'd like to do
In my life

I'm a dreamer G
A distant dreamer Em
Dreaming for hope C
From today D

Even when you see me frown ^G
My heart won't let me down ^{Em}
Because I know ^C
There's better things to come ^D
Oh, yeah

G

And when life gets tough

I feel I've had enough
I hold on to a distant star

I'm thinking about
All the things
I'd like to do
In my life

I'm a dreamer G
A distant dreamer Em
Dreaming for hope C
From today D

I'm a dreamer ^G
A distant dreamer ^{Em}
Dreaming for hope ^C
From today ^D

Yeah, I'm a dreamer

A distant dreamer ^{Em}
Dreaming for hope ^C
From today ^D

Yeah, I'm a dreamer

I'm a dreamer
