

# Duffy - Stepping Stone

Tom: F

i remember way, way back when  
 i said i never wanna see your face again  
 cause you were loving, yes you were someone else  
 and i knew, yes i knew i couldn't control myself  
 and now they bring you back into my life again  
 and so i put on face just like your friends  
 but i think you know, oh yes you know whats going on  
 cause the feelings in me, oh yes in me are burning strong.  
 (chorus.)  
 but i will never be your stepping stone,

take it all or leave me alone,  
 i will never be your stepping stone,  
 i m standing upright on my own.

verse 2.  
 you still call me up from time to time  
 and it would be so hard for me not to cross the line  
 the words of love lye on my lips just like a curse  
 and i knew, oh yes i knew they'd only make it worse  
 and now you have the nerve to play along  
 just like the mistro beats in your song  
 you got your kicks, you get your kicks from playing me  
 and the less you give the more i want, so foolishly.

chorus.  
 but i will never be your stepping stone,  
 take it all or leave me alone,  
 i will never be your stepping stone,  
 im standing upright on my own.
