

Duke - É Passado

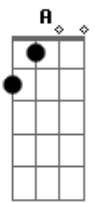

Tom: G

Você vem
querendo me complicar
sei que tem motivos pra reclamar
essa briga foi por intriga
então se liga o que eu vou te dizer
você vem
querendo me controlar
mais não tem chance vamos conversar
vamos dar uma chance pra nossa paixão
fazendo feliz esse meu coração
e eu não me arrependo de escolher você

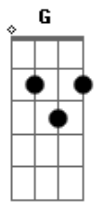

é real agora é pra valer
vê se esquece as coisas do passado
ta decido esse mal entendido
vou fazer de tudo pra te fazer feliz

Refrão:
O meu passado foi tão errado
sei que é complicado tente entender
fui feliz tambem enganado
mais foi do se lado que eu me encontrei
O meu passado foi tão errado
sei que é complicado tente entender
fui feliz tambem enganado
mais foi do seu lado que eu me encontrei (DC)
