 ( B Eb E )

Everything you say is bullshit (bullshit)

In every single way I like it (bullshit)

And everything you do is so sick (bullshit)

Its fun its fun its fun its fun

But i?m still living

I?m a little messed up

It might be the drugs

I?m a little fucked up

I might need a hug

Always make it right, never fight (its alright)

And it bullshit (bullshit)

Never seem to care always there (never care)

And I like it (bullshit)

Then it gets too much who gives a fuck

It gets so sick (bullshit)

Its fun, its fun, its fun, its fun

But i?m still living

I?m a little messed up

It might be the drugs

I?m a little fucked up

I might need a hug

Everything you say is bullshit

And everything you say is bullshit

I?m a little messed up

Everything you say is bullshit

And everything you say is bullshit

I?m a little messed up

Everything you say is bullshit

And everything you say is bullshit

I?m a little messed up

Everything you say is bullshit

And everything you say is bullshit

I?m a little messed up
