

# Duran Duran - Invisible

tom:

A

(Invisible, invisible)

(Invisible, invisible)

[Verse 1]

(Shy one) Walking by the wall

(Shy one) The shadows will not fall

(Shy one) Is silently ignored

(Quiet one) Discouraged by the noise

(Quiet one) Living without choice

(Quiet one) Is a life without a voice

[Chorus]

When you can't even say my name

Has the memory gone? Are you feeling numb?

Go and call my name

I can't play this game, so I ask again

Will you say my name?

Has the memory gone? Are you feeling numb?

Or have I become invisible?

[Interlude]

Bm A  
Bm A

[Verse 2]

(Sky light) Th? dreamers wish away

(Hindsight) It's falling on my face

(Highlights) Th? shape of my disgrace

[Chorus]

When you don't hear a word, I say

As the talking goes, it's a one-way flow

No fault, no blame

Has the memory gone? Are you feeling numb?

Or have I become invisible?

[Bridge]

(Invisible)

(Invisible)

(Invisible, invisible)

(Invisible, invisible)

(Invisible, invisible)

(Invisible)

[Chorus]

No one hears a word, they say

Has the memory gone? Are you feeling numb?

Not a word, they say

But a voiceless crowd isn't backing down

When the air turns red

With a loaded hesitation

Can you say my name?

Has the memory gone? Are you feeling numb?

Have we all become invisible?
