

# Duran Duran - What Are The Chances?

Tom: D  
Intro: Gbm

Any other day and you might have gone walking by  
Without a second look  
Any other way but I'm still mystified  
I'm just trying to change my luck  
Staring out the world awaiting for the one  
But the world won't look away  
The world does not explain

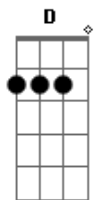

So???. what are the chances?  
We'll never know  
If we take it for granted  
The diamond explodes  
What are the chances?  
Playing with your life or is it destiny  
Which sets you on a path?  
Is it out of choice that you're here next to me  
Or just the aftermath

Of moments as the past  
So???. what are the chances?  
We'll never know  
If we take it for granted  
The diamond explodes  
What are the chances?  
We are last in the flow  
I'm looking for answers, oho

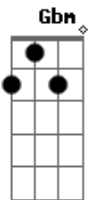

( A Em Bm Gbm )  
( A Em Bm Gbm D )  
( A E B Gbm D ) (2x)

So???. what are the chances?  
We'll never know  
If we take it for granted  
The diamond explodes  
What are the chances?  
We are last in the flow  
I'm looking for answers, oho
