

Dylan Scott - Can't Have Mine

tom:

Intro: Bb F C F
Bb F C

[Primeira Parte]

You can find you a girl on a Friday night
Dancing in the back of a bar
On Sunday morning, hands up high
Singing front row in the choir
You can find you a girl through a friend of a friend
She could show up right out of the blue
It don't matter where you find her
Just as long as you

[Refrão]

Find you a girl that leaves you speechless
Gets wild on the town but still loves Jesus
One who's worth the wait even when she ain't on time
Find you a girl that loves her daddy
Talking 'bout babies makes her happy
Yeah, take it from me
That's the kind you need to find
You just can't have mine

(Bb F C)

[Segunda Parte]

Find you a girl that likes to do
All the things you love to do
And even on your worst day
She still thinks you hung th? moon
