

# Eagle-Eye Cherry - Don't give up

Tom: D

All our dreams are gone  
 With a loss of faith  
 We're still hanging on  
 For another day  
 It's so hard to see  
 That it's going to get better  
 And when will that be  
 It's hard to say

Gbm Bm  
 We must believe

That if we give we will receive  
 Yes we must believe

That it's going to get better

Don't give up  
 Never give up  
 We won't stop giving

Giving all we got  
 Now we're breaking away  
 From what holds us down  
 This could be the day  
 That brings out the light  
 Now we're marching on  
 With the will of never giving up  
 This time we'll have won  
 Without a fight

Gbm Bm  
 We must believe?

Solo: C G D ( 2x )  
 ( G D )  
 Forgive and forget don't hold on to the bitterness  
 Filled with regrets we don't wanna go there again  
 The glass is half full so lets get it on with togetherness  
 And our number will grow we will prevail in the end

Solo: C G D ( 2x )
