Eagle-Eye Cherry - Lonely Days

Tom: E
Intro: E B A A x4

ver:
E B
Girl I can't abide
A
By the rules you laid down in this game
E B A
Cause now I've gone and lost myself in you
E B
One time you catch a ride
A
And it takes you miles away
E B A
There's a chance of never feeling blue

A
And those lonely days will be long time forgotten
E B
If we could find another way
A
Now let's contemplate is this time of passion
E B
Strong enough to make you stay

A E
Because I do believe in forever
A E
And forever I will stay
A
And those lonely days will remain
A E B A A
Miles and miles away

E B A A

E B
Emotional exile
A
Is the safest way to play
E B A
Gotta take a chance every now and then
E B
Irresistible change of heart
A
I will guide your way
E B A

We could share a life again

A
And those lonely days will be long time forgotten
E B
If we could find another way
A
Now let's contemplate is this time of passion
E B
Strong enough to make you stay

A E
Because I do believe in forever
A E
And forever I will stay
A
And those lonely days will remain
A E B
Miles and miles away
A E B
Miles and miles away
A E B
Miles and miles away
A E B A A
Miles and miles away

solo: E B A A x4
