Because he knows time, and time has come
Don't even know if she'll be waiting
Because he's been gone for way too long

How long will you stay?
Boy, you don't got nine lives to waste
How long will you stay?
Saving time, losing grace

About the troubles and how they start
She didn't listen to the laughter
She only listened to her heart

How long will you stay?
Saving time, losing grace
