

Eamon Mo - Your Games

tom:

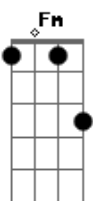

Spilled my milk
 I'm not surprised
 Here come the waterworks
 You're so silk
 For someone so soft
 It's crazy how hard you hurt my heart
 You were my heart
 But now you're gone
 So please fk off
 And maybe you'll take your games
 To someone who will play them with you
 Hope they get bored the way you did
 Change up my face and name
 And someone else will play them with you
 But it won't be me ever again
 Time sat still
 The second I saw
 The passion leave the room

Oh they kill
 The memories I want
 So bad to keep with you my heart
 They're in the dark
 Cause now you're gone
 So just fk off
 And maybe you'll take your games
 To someone who will play them with you
 Hope they get bored the way you did
 Change up my face and name
 Someone else will play them with you
 It won't be me ever again
 You said you know what's for the best
 For both of us so I should probably
 Thank you now ahead of time
 For saving me from all the stress
 You could've caused me down the line
 And guiding me to what was next
 I went and found the woman of my dreams
 Oh she's so sweet
