

Earth, Wind And Fire - Shining Star

Tom: **D**

This is such a great song. I was disappointed not to find any EWF tabs anywhere, so I put this up. Thanks to my guitar teacher Mark Heinneman who helped me figure out this song.

bend
play the riff with a funky rhythm and mute the notes with your palm

Play with funk rhythm

E
When you wish upon a star,
E
Dreams will take you very far,
E
But when you wish upon a dream,
E
Life ain't always what it seems

E
What'd you see, on night of clear,
E
In the sky, so very dear

A7 **D**
You're a shining star,

G7 **C**
No matter who you are
A7 **D**
Shining bright to see,
G7 **C**
What you could truly be.

Solo

Shining star comes into view,
To shine its watchful light on you.
Give you strength to carry,
Make your body big and strong.

Born a man-child of the sun,
Saw work had just begun,
Found I had to stand alone,
Bless it now I've got my own

So if you find yourself in need
Listen to these words of heed
Be a giant, or grain of sand
Words of wisdom, yes I can

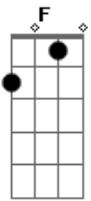

You're a shining star
No matter who you are,
Shining bright to see,
What you can truly be (repeat)

Shining star for you to see
What your life can truly be (repeat 3 times)
