

# Sheena Easton - I Will Always Be With You

tom:  
 I will always be with you  
 Makes no difference where your road takes you to  
 Even if we're apart  
 Now we're joined at the heart  
 Though our moments may be gone  
 You and I will still live on  
 I will always be with you  
 I'll be by your side whatever you do  
 All the memories may fade  
 But the ones that we made  
 Are eternal as a star  
 Now I'm part of who you are  
 And I'll be there with you in the sound of your laughter

Em Am  
 I'll be in the tears you cry  
 'Cause the way you and I have touched one and other  
 Doesn't end with goodbye
