Intro: A7M Gbm7 C7M E7/#5

E7/#5
It was
A7M
Pizza slices and shakes
Gbm7
Morning sunshine awakes
C7M
She cut to the chase
E7/#5
In such an elegant way
E7/#5 A7M
She's got delicate taste
Gbm7
And such a smile on her face
C7M
But sex is better when baked
E7/#5
Everybody knows it
A7M
And the film we watched
All the critics chose it
Gbm7
Joining up the dots
We're becoming the closest
C7M E7/#5
Quickly grab the camera, show me all your favourite poses

A7M
And it was fun in the sun
With the windows down
Gbm7
And every time that she comes around
C7M
We do it the old way
E7/#5
Feeling okay
A7M
I'm loving her scent and she loves my sound
Gbm7
And every time that I lay her down
C7M
It feels like Sunday
E7/#5
Feeling okay

A7M
We're only slightly east of Eden
For days, we've barely eaten
Gbm7
She's my low-key queen
And there ain't no chance of treason
C7M
I've never had a reason
E7/#5
'Cause I'm worshipping some new shit now
A7M
That's uncharted territory, yeah, we're on
A7M
Sacred ground, so quit messing around
Gbm7
And we could
C7M
Graduate from the ounces to pounds
And we should
E7/#5
Not get stuck in our ways
But I know some things never change

A7M
The type of girl to only type in lowercase
Gbm7
Hid behind her iPhone but I know her face
C7M
When she hears my messages, I never chase

E7/#5
'Cause both of us too busy for those silly games
A7M
I've never seen her type in uppercase
Gbm7
That kind of energy is rare these days
C7M
She's finishing my sentences in better ways
E7/#5
And we won't leave the house but I can't complain

A7M
And it was fun in the sun
With the windows down
Gbm7
And every time that she comes around
C7M
We do it the old way
E7/#5
