

# Echo & The Bunnymen - When It All Blows Over

tom:

Intro: C G C G

When it all blows over

Can we start again?

When we've both grown older

Will you love me then?

Say you'll love me then

You never had to tell me

I already knew

The first time you held me

There was only you

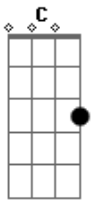

It was only ever you

Though every change  
As I turned the tide  
Through all my games  
You were there by my side

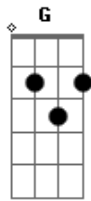

( C G )  
( C G )  
( C G )  
( C G )  
( C G )

When it all blows over  
Can we start again?  
When we've both grown older  
Will you love me then?  
Say you'll love me then  
Did you love me then...?
