

Ed Bruce - Nights

tom:

Nights are the loneliest part of the day
 That's when your memory comes around and gets me down
 Nights, there's a star for every tear
 That's fallen from my eye oh how I cried
 Onlys nights alone thinking back to you and I
 It's nights I know I never should've said goodbye
 Nights are the loneliest part of the day
 That's when your memory comes around and gets me down
