

Ed Bruce - The Greatest Love Song

tom:

E
 Sometimes I look at you, look at me
 A B7 E
 I can't believe what I see
 A A B7 E
 A woman's love who keeps on givin me
 A A B7 E
 The kind of love I thought could never be
 A A B7 E
 The poet's words of love cannot compare
 A A B7 E
 With the sprinkle of the stardust in your hair
 A A B7 E
 And melodies in shame would turn away
 A A B7 E
 In the presence of your gentle loving way
 B7
 And I know that I could never ever put them all together
 Dbm E A
 But if I could I know that I would find

Gbm A B7
 The greatest love song in the whole wide world is right there
 in
 E
 Your eyes
 E A E
 Every day I see within your smile
 A B7 E
 The rainbows of a hundred thousand miles
 A E
 And a million loving feelings I can't say
 A B7 E
 So I'll just keep on loving you this way
 B7
 And I know that I could never ever put them all together
 Dbm E A
 But if I could I know that I would find
 Gbm A B7
 The greatest love song in the whole wide world is right there
 in
 E
 Your eyes
