Na madrugada acordou

0 fuso o enganou

Sem pensar

Foi pro elevador

Nem se abalou

Não virou

Pra moça do bar

Olhar

A capital despertou

Pro\_hotel então voltou

Eram dez

Quando telefonou

Pedi café

Leu em pé

0 velho jornal

Local

Está sempre só

Não sente falta

Está sempre só

Da sombra não se separa

Está sempre só

F#7M B7 Bbm7

No taxi, o frio deixou

0 calor do motor

Esquentar

0 seu rosto sem cor

Seco demais

De um lugar

Distante pra se

Lembrar

F#7M B7 Bbm7

Na areia gasta do mar

No cinza do olhar

Relembrou

Era setenta e oito

Livre afinal

Sentiu ser

Seu próprio prazer

Sem ser formal

E nem sentimental

Livre afinal

Já estava só

Não se importava

Já estava só

Sua estrada fôra traçada

Já estava só
