

# Ed Sheeran - All About It

Tom: F

Refrão:

Cause I got soul and I won't quit  
 And your dad don't like it when I talk my shit  
 Cause I'm all about it baby  
 I'm all about it baby  
 Staying up late just to pass the time  
 And your parents don't like it when you and I getting high  
 But I'm all about it baby  
 I'm all about it baby  
 ( Dm F Bb A C )

I'm not a rapper just a singer with a game plan  
 I play guitar no need to worry 'bout my Drake hand  
 80,000 people in front of the stage, damn  
 Waiting for the sun to shine just to rock these Ray Bans  
 I just wanna leak shit (what?)  
 Not literally leak shit  
 Wanna push the music through the speakers  
 Double shot glass, I'm in the back of the pub  
 My mate Jason at the bar screaming "Who want what?"  
 Now, please be warned  
 That every song I feature on has capacity to be reborn  
 I said that anything can happen when I pick up a pen  
 But now I'm all about love so won't you say it again  
 I said I used to be the shy type  
 Backpack on my back on public transport sort of guy type  
 Now I'm in the lime light  
 Tryna get my mind right  
 Body clock is in the clouds so often guess it's high time  
 Hoodie sing the line like

I'm not a singer, I just rap pretty  
 So now my fan base is full of Megan's and Ashley's  
 And they're wondering if there's room for them to get in my bus  
 And I'm like, "Naturally, baby, let me find a spot in the front"  
 For you, and for your friends  
 You can be mine, we can pretend  
 Oh, typical rapper actin' a typical fashion  
 I'm doing something that's different  
 I'm tryin' to Paula my patent  
 Young prince of Manhattan, now everybody believe it  
 Adrien Broner the way I'm ducking and weaving  
 We go together like interceptions and Revis  
 She said the only rapper she lovin' is Yeezus  
 Dm  
 One for the money

Two people since the beginning  
 Bb  
 Three million records get sold, not everybody is winning  
 A  
 I'm Larry David plus Miles Davis  
 A  
 So, everybody hating and fuck it, I hardly blame 'em

 And they don't know anything about us  
 Bb  
 Or anything about us  
 A C  
 Or anything about it  
 No, no, no(x2)
