

# Ed Sheeran - Bad Habits

tom:

Intro: Bm D G A

[Primeira Parte]

Bm  
Every time you come around  
D G A  
You know I can't say no  
Bm  
Every time the sun goes down  
D G A  
I let you take control  
Bm  
I can feel the paradise  
D G A  
Before my world implodes  
Bm D  
And tonight had something wonderful

[Refrão]

Bm  
My bad habits lead to late  
D  
Nights ending alone  
G  
Conversations with a stranger  
I barely know  
A Bm  
Swearing this will be the last  
D  
But it probably won't  
Em  
I've got nothing left to lose  
G  
Or use, or do

A Bm  
My bad habits lead to wide eyes  
D  
Stare into space  
G  
And I know I lose control  
Of the things that I say  
A Bm  
I was looking for a way out  
D  
Now I can't escape  
Em  
Nothing happens after two  
G  
It's true, it's true

A Bm D G  
My bad habits lead to you  
A Bm D Em  
My bad habits lead to you  
G A Bm  
My bad habits lead to you

[Segunda Parte]

Bm  
Every pure intention ends  
D G A  
When the good times start  
Bm  
Falling over everything  
D  
To reach the first  
Em A  
Times spark  
Bm  
Started under neon lights  
D G A

Then it all got dark  
Bm D Em  
I only know how to go too far

[Refrão]

I've got nothing left to lose

Nothing happens after two

And burned til the fun ran out

Now my bad habits lead to late

Conversations with a stranger  
I barely know

My bad habits lead to wide eyes

Of the things that I say  
 I was looking for a way out  
 Now I can't escape  
 Nothing happens after two

It's true, it's true  
 My bad habits lead to you  
 My bad habits lead to you  
 My bad habits lead to you
