We're on top of the world
 We're on top of the world now darling so don't let go
 Can I call you mine
 So can I call you mine now darling
 For a whole lot of time
 My heart finally trust my mind
 And I know somehow it's right
 And oh we got time, yeah
 So darling just say you'll stay right by my si_de
 And oh we got love, yeah
 So darling just swear you'll stand right by my si_de
 We're on top of the world
 We're on top of the world now darling so don't let go
 Hmm, I've got something to say
 You're perfect in every way, I'm gonna shout it out
 I'm wanna tell you now
 'Cause I know somehow it's right
 And oh we got time, yeah
 So darling just say you'll stay right by my si_de
 And oh we got love, yeah
 Darling just swear you'll stand right by my si_de
 Be my forever
 Be my forever
 Be my fore_ver

Be my forever
