

Ed Sheeran - Boat

tom:
Capostrate na 4ª casa

Came in through the embers
Stayed out for the breeze
I need to feel elements to remind me
There's beauty when it's bleak
Stuck out long before lights down
What do I breathe? Oh, I know
The more that I love, the less that I feel
The times that I jumped never were real
They say that all scars will heal, but I know
Maybe I won't
But the waves won't break my boat
But the waves won't break my boat
Stones crashed on the boardwalk
Wind rushed through the trees
I'll keep my eyes peeled

The memories always fall short
Of what we could've been
Let that long for last call
What do I need? Oh, I know
The more that I love, the less that I feel
The times that I jumped never were real
They say that all scars will heal, but I know
Maybe I won't
But the waves won't break my boat
But the waves won't break my boat
But the waves won't break my boat
Waves won't break my boat
The more that I love, the less that I feel
The times that I jumped never were real
They say that all scars will heal, but I know
Or maybe I won't
And the waves won't break my boat
