

# Ed Sheeran - Castle On The Hill

Tom: D

When I was six years old I broke my leg  
 I was running from my brother and his friends  
 And tasted the sweet perfume of the mountain grass I rolled down  
 I was younger then, take me back to when I  
 Found my heart and broke it here  
 Made my friends and lost them through the years  
 And I've not seen the boarding fields in so long, I know I've grown  
 But I can't wait to go home

I'm on my way, driving at nineteen  
 Down those country lanes singing to Tiny Dancer  
 And I miss the way you made me feel, it's real  
 We watched the sunset over the castle on the hill

Fifteen years old and smoking hand-rolled cigarettes  
 Running from the law through the backfields  
 And getting drunk with my friends

Had my first kiss on a Friday night  
 I don't reckon that I did it right  
 But I was younger then, take me back to when  
 We found weekend jobs, when we got paid  
 We'd buy cheap spirits and drink them straight  
 Me and my friends have not thrown up in so long, oh, how we've grown  
 But I can't wait to go home

I'm on my way, driving at nineteen  
 Down those country lanes singing to Tiny Dancer  
 And I miss the way you made me feel, it's real  
 We watched the sunset over the castle on the hill  
 Over the castle on the hill  
 Over the castle on the hill

One friend left to sell clothes, one works down by the coast  
 One had two kids but lives alone, one's brother overdosed  
 One's already on his second wife, one's just barely getting by  
 But these people raised me and I can't wait to go home

And I'm on my way, I still remember  
 These old country lanes when we did not know the answers  
 And I miss the way you made me feel, it's real  
 We watched the sunset over the castle on the hill  
 Over the castle on the hill  
 Over the castle on the hill
