

Ed Sheeran - Cold Coffee

Tom: Gb

She's like cold coffee in the morning
 I'm drunk off last night's whisky and coke
 She'll make me shiver without warning
 And make me laugh, as if I'm in on joke

And you can stay with me forever
 Or you could stay with me for now
 And tell me if I'm wrong
 And tell me if I'm right
 Tell me if you need a loving hand
 To help you fall asleep tonight
 Tell me if I know
 Tell me if I do

Tell me how to fall in love
 The way you want me to

I'll wake with coffee in the morning
 But she prefers two lumps of sugar and tea
 Outside, the day is up and calling
 But I don't have to be
 So please go back to sleep

And you can stay with me forever
 Or you could stay with me for now
 And tell me if I'm wrong

And tell me if I'm right
 Tell me if you need a loving hand
 To help you fall asleep tonight
 Tell me if I know
 Tell me if I do
 Tell me how to fall in love
 The way you want me to
 Cos I love the way you wake me up
 For goodness sake, will my love not be enough?
 And you can stay with me forever
 Or you could stay with me for now
 And tell me if I'm wrong
 And tell me if I'm right
 Tell me if you need a loving hand
 To help you fall asleep tonight
 Tell me if I know
 Tell me if I do
 Tell me how to fall in love
 The way you want me to
 tell me if I'm wrong
 And tell me if I'm right
 Tell me if you need a loving hand
 To help you fall asleep tonight
