

Ed Sheeran - Drunk In Love

Tom: Db

(Intro)

I've been drinking, I've been drinking
 I get filthy when that liquor's in me baby
 I've been thinking, I've been thinking
 Why can't I keep my fingers off it, baby?
 I want you, na na
 Why can't I keep my fingers off it, baby?
 I want you, na na

Verso 1:

Cigars on ice, cigars on ice
 Feeling like an animal with these cameras all in my grill
 Flashing lights, flashing lights
 You got me faded, faded, faded
 Baby, I want you, na na
 You got me faded, faded, faded
 Baby, I want you, na na
 Drunk in love,
 I want you

Refrão:

We woke up in the kitchen saying,
 How the hell did this shit happen?
 Oh baby, drunk in love
 We be all night
 Last thing I remember is our beautiful bodies grinding up in
 that club
 Drunk in love
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
 We be all night,
 We be all night,

Verso 2:

And everything's alright

No complaints from my body, so fluorescent under these lights
 Boy, I'm drinking, park it in my lot 7/11
 I'm rubbing on it, you rubbing on it, you scared, call that
 reverend
 Boy, I'm drinking, brain right, gangster wife
 Louis rags, he sweat it out he sweat it out I wear that
 Boy, I'm drinking, now I'm on the mic 'til my voice hoarse
 Then I fill the tub up halfway then ride it with my surfboard,
 surfboard, surfboard
 Graining on that wood, grain, graining on that wood
 I'm swerving on that, swerve, swerving on that big body
 Just graining on that wood, wood, wood
 Oh oh

Refrão:

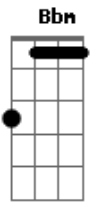

We woke up in the kitchen saying,
 How the hell did this shit happen?
 Oh baby, drunk in love
 We be all night
 Last thing I remember is our beautiful bodies grinding up in
 that club
 Drunk in love
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
 And I don't know much about love but I know I've been shot by
 you
 And I don't know much about algebra but I know that one plus
 one is two
 'Cos we ain't got nothing but love
 And baby you got enough for the both of us
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
 We be all night, love, love
