

# Ed Sheeran - Drunk

Tom: G  
Intro: G

G  
I wanna be drunk when I wake up  
On the right side of the wrong bed  
And every excuse I made up  
Tell you the truth I hate  
C  
What didn't kill me  
D  
It never made me stronger at all  
G  
Love will scar your make-up lip sticks to me  
D  
So now I'll maybe leave back there  
C  
I'm sat here wishing I was sober  
D  
I know I'll never hold you like I used to  
Em  
But our house gets cold when you cut the heating  
G  
Without you to hold I'll be freezing  
Em  
Can't rely on my heart to beat it  
G  
'Cause you take part of it every evening  
Em  
Take words out of my mouth just from breathing  
G  
Replace with phrases like when you're leaving me

Am  
Should I, should I?  
Em  
Maybe I'll get drunk again  
G  
I'll be drunk again  
Em  
I'll be drunk again  
C D  
To feel a little love

G  
I wanna hold your heart in both hands  
Em  
I'll watch it fizzle at the bottom of a Coke can  
And I've got no plans for the weekend  
So shall we speak then  
C  
Keep it between friends

D G  
Though I know you'll never love me like you used to

G  
There maybe other people like us  
D  
You see the flicker of the clip when they light up  
Em  
Flames just create us, burns don't heal like before  
D  
You don't hold me anymore  
G

Em  
On cold days Coldplay's out like the band's the name

Em  
You know I can't change as I began saying  
G  
You cut me wide open like landscape  
Em  
Open bottles of beer but never champagne  
G  
We'll applaud you with the sound that my hands make
