

Ed Sheeran - Dusty

tom:

D

[Primeira Parte]

I heard you callin'
 Now my eyes are open
 The day is breaking
 Into powder blue
 Sunlight is fram'in'
 Our every moment
 What a way to start
 Off the day with you

[Pré-Refrão]

Flick a finger
 Start a discussion to pick a singer
 This one you'll love it
 I had to bring her
 Just let the speakers take you away

[Refrão]

And drop the needle on Dusty
 Frost on the leaves like a lake
 The moment came out of nothing
 A beautiful smile on your face
 Yesterday was a long night

But I got a feeling
 That the future is so bright
 All of the pressure washed a
 Away in the low tide
 But we gotta wait 'til our clothes
 Are bone dry
 So I'll drop the needle on Dusty

[Segunda Parte]

We were lost within a stormy ocean
 Nobody knew
 What we're goin' through
 We talk about it as we dip our toes in
 Take a breath
 And brace for the waves with you

[Pré-Refrão]

Flick a finger
 Wait for the magic to do its thing, yeah
 There's more than sadness
 We got within us
 Let's put some colour into the grey

[Refrão]

And drop the needle on Dusty
 Frost on the leaves like a lake
 The moment came out of nothing
 A beautiful smile on your face
 Yesterday was a long night

But I got a feeling
 That the future is so bright
 All of the pressure washed a
 Away in the low tide
 But we gotta wait 'til our clothes
 Are bone dry
 So I'll drop the needle on Dusty

[Ponte]

Nothing is static
 On the stereo before today
 Both on the edge to throw it all away
 I used to think
 That every situation stayed the same
 But I can see it starts to change, okay

[Refrão]

And drop the needle on Dusty
 Frost on the leaves like a lake
 The moment came out of nothing
 A beautiful smile on your face
 Yesterday was a long night

But I got a feeling
 That the future is so bright
 All of the pressure washed a
 Away in the low tide
 But we gotta wait 'til our clothes

Are bone dry

So I'll drop the needle on Dusty
