

Ed Sheeran - End Of Youth

tom:
 Cm (forma dos acordes no tom de Am)
 Capostraste na 3ª casa

[Primeira Parte]

I've been depressed since you left
 Tried to the fill the hole with wine
 Stopped the drugs when she came
 Cleaned my act up overnight
 If you reach with no reply
 I'll see you when I see you, man
 You can't talk me through
 The fall if we don't know if I can land
 I try to grow but the past
 It tears me down to size
 Tell the world how to process
 But don't take the same advice
 I remember what I say
 That the morning's filled with fear
 Can't get a handle of my grief
 When every memory turns to tears

[Pré-Refrão]

It's been a long year
 And we're not even halfway there

[Refrão]

Is this the ending of our youth
 When pain starts taking over
 Just don't know if I can ever
 Just let it go
 Everything's falling apart
 When love is real there's never closure
 I guess it's all part of life
 But I can't help but feel low
 We spend our youth with arms
 And hearts wide open
 And then the dark gets in
 And that's the end of youth

[Segunda Parte]

I've been lost since the tears

But pretend it's all alright
 All my ups led to falls
 That led to trying to end my life
 Just a boy at the start
 That you leant on like a man
 You were meant to be my friend
 And not to take all that you can
 Disengage to create
 Gotta reinvent the wheel
 No one knows what they want
 I'll just give you what I feel
 If I slip and get high
 I know the low is always near
 When I'm down I never see you
 When I'm up you won't appear

[Pré-Refrão]

It's been a long year
 And we're not even halfway there

[Refrão]

Is this the ending of our youth
 When pain starts taking over
 I just don't know if I can ever
 Just let it go
 Everything's falling apart
 When love is real there's never closure
 I guess it's all part of life
 But I can't help but feel low
 We spend our youth with arms
 And hearts wide open
 And then the dark gets in
 And that's the end of youth
