

# Ed Sheeran - English Rose

Tom: D

E(D) /---X---X---X---X---X---X---|

D G D  
Across the sea  
G D  
By the Tennessee skyline  
G D A D  
They told me I'd find my hopes and my dreams

D G D  
But I long to be  
G D  
in the bed of my true love  
G D A D  
Back where I came from, she's waiting for me

D G A  
So I'll make my way  
Bm A G D  
Through lone winding country roads  
G A Bm  
But my heart still beats  
G A D  
for my home and my English rose

D G  
I told my dad  
D G D  
on the phone "it's amazing"  
G D A D  
from the straight to the craziest places I've been

D G D  
But I long to be  
G D  
in the arms of my true love  
G D A D  
like he loves my mother, he understands me

D G A

I spend my days  
Bm A G D  
Just travelling and playing shows  
G A Bm  
And my heart still beats  
G A D  
for my home and my English rose

G A Bm D  
Uuuuuuuuh  
G A Bm D  
Uuuuuuuuuh  
G A D  
Uuuuuuuuuh

D G D  
I met a man  
G D  
in a bar down in Memphis  
G D A D  
and he told me he went there to follow his dreams

D G D  
And he told me "son  
G D  
You know I lost my true love  
G D A D  
For the same exact reason that you crossed the sea"

D G A  
And I found truth  
Bm A G D  
in people I barely know  
G A Bm  
And my heart still beats  
G A D  
for my home and my English rose  
G A Bm  
And my heart still beats  
G A D  
for my home and my English rose  
G A Bm  
And my heart still beats  
G A D  
for my home and my English rose
