

# Ed Sheeran - Feels (feat. Young Thug & J Hus)

Tom: B

m (forma dos acordes no tom de Am)  
Capostrate na 2ª casa

Ba-da-boom, ba-da-bing  
You done knocked me right off of my feet

[Refrão]

Baby, I got the feels, yeah  
Say that I'm out my mind  
But it's somethin' real  
Somethin' real  
Ooh, I got the feels, yeah  
I waited most my life for somethin' real  
Baby, I got the feels for ya

Baby, I got the feels for ya

[Primeira Parte]

Jump into the crowd  
Leave your hand in the sky, babe  
No hand, no nothin'  
Gotta trust your crowd  
Gotta land in a cloud, babe  
(Baby, I got that feeling)  
I don't know why you do this to me  
I tried to tell 'em not to do it this loud  
I tried to tell 'em not to bust  
It out the wrap' 'til we leave  
I was thinkin' suicide for the ride, plus  
I done went and bought a car with the title  
Told the promoters have her on the rider

Knockin' boots backstage at the Wireless  
She contagious like poison ivy  
[Refrão]

Baby, I got the feels, yeah  
Say that I'm out my mind  
But it's somethin' real  
Somethin' real  
Ooh, I got the feels, yeah  
I waited most my life for somethin' real  
Baby, I got the feels for ya  
Baby, I got the feels for ya  
[Segunda Parte]

Used to be Playboy heartbreaker  
But for you, I'll travel a thousand acres  
When we met, I told her I play for Lakers (Alright)  
One day, we'll get married in Las Vegas (Nah)  
I'm good for your health, this can't be a sin (Alright)  
This love give you protein and vitamin (Yeah)  
See you wigglin', jigglin' (Mmm)  
If I have a bite, will it taste like cinnamon? (One)  
This is one in a million  
So I never ever treat you like Billie Jean  
Ain't nothin' like anything I ever really seen  
And you give me this feel if you know what I mean

[Refrão]

Baby, I got the feels, yeah  
Ba-da-boom, ba-da-bing  
You done knocked me right off of my feet  
Baby, I got the feels, yeah  
I waited most my life for somethin' real  
Baby, I got the feels for ya
