

# Ed Sheeran - Fire Alarms

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa C)  
Intro: C, G, Bb, F, C, G, Bb, F

The rain won't stop falling  
It's harder than before  
This car keeps on stalling  
Pedal to the floor

What I need to know  
Is if you love me  
And I really need to know is

We were young and we were foolish  
And I really need to know is

Schoolbooks in our arms  
Dodging homework dodging classes  
To set off fire alarms

What I need to know  
Is if you love me  
And I really need to know is

We are waving our lives away (4x)

What I need to know  
Is if you love me  
And I really need to know is  
If you want me when you call  
If you want me when you call

## Acordes
