

# Ed Sheeran - Happier

Tom: C  
Intro:

[Verse 1]

Am F C  
Walking down 29th and Park  
Am F C  
I saw you in another's arms  
Am F C  
Only a month we've been apart  
Am F C  
You look happier  
Am F C  
Saw you walk inside a bar  
Am F C  
He said something to make you laugh  
Am F C  
I saw that both your smiles were twice as wide as ours  
Am F C  
Yeah you look happier, you do

[Pre-Chorus 1]

Am F C C  
Ain't nobody hurt you like I hurt you  
Am F C C  
There ain't nobody love you like I do  
Am F C  
Promise that I will not take it personal, baby  
Am F C  
If you're moving on with someone new

[Chorus 1]

Am F C  
Cause baby you look happier, you do  
Am F C  
My friends told me one day I'll feel it too  
Am F C  
And until then I'll smile to hide the truth  
Am F C  
That I know I was happier with you (hey-ya, hey-yeah hey-yeah)

[Verse 2]

Am F C  
Sat in the corner of the room  
Am F C  
Everything's reminding me of you

Am F C  
Nursing an empty bottle and telling myself  
Am F C  
You're happier aren't you? (hey-ya, hey-yeah hey-yeah)

[Pre-Chorus 2]

Am F C  
Well ain't nobody hurt you like I hurt you (hey-ya, hey-yeah hey-yeah)  
Am F C  
There ain't nobody need you like I do (hey-ya, hey-yeah hey-yeah)  
Am F C  
I know that there's others that deserve you (hey-ya, hey-yeah hey-yeah)  
Am F C  
But my darling, I am still in love with you

[Chorus 2]

Am F C  
But I guess you look happier, you do  
Am F C  
My friends told me one day I'll feel it too  
Am F C  
I could try to smile and hide the truth  
Am F C  
But I know I was happier with you

[Interlude]

Am F C  
Hey-ya, hey-yeah hey-yeah, ahh-ahh ahh, ahh, ahh-ahh-ahh  
Am F C  
Hey-ya, hey-yeah hey-yeah, ahh-ahh ahh, ahh, ahh  
Am F C  
Hey-ya, hey-yeah hey-yeah, ahh-ahh ahh, ahh, ahh-ahh-ahh  
Am F C  
Hey-ya, hey-yeah hey-yeah, ahh-ahh ahh, ahh, ahh

[Outro]

(G = x2003x)  
Am F C  
Cause baby you look happier, you do  
C Am F C  
I knew one day you'd fall for someone new  
G Am F C  
But if he breaks your heart like lovers do  
C Am F C  
Just know that I'll be waiting here for you
