

# Ed Sheeran - Hearts Don't Break Around Here

Tom: G

G D  
 She is the sweetest thing that I know  
 Em C G  
 Should see the way she holds me when the lights go low  
 D Em C  
 Shakes my soul like a pothole every time  
 G D Em  
 Took my heart upon a one way trip  
 C G  
 Guess she went wandering off with it  
 D  
 None like most women I know  
 Em C  
 This one will bring it back whole

[ C G D Em  
 C Daisies, daisies perched upon your forehead  
 C G D  
 Oh my baby, lately I know

G D Em  
 That every night I'll kiss you, you'll say in my ear  
 C G  
 Oh we're in love, aren't we?  
 D Em  
 Hands in your hair  
 C G  
 Fingers and thumbs, baby  
 D Em  
 I feel safe when you're holding me near  
 C G  
 Love the way that you conquer your fear  
 D C  
 You know hearts don't break around here  
 G D Em  
 Oh yeah, yeah, yeah  
 C G D Em C  
 Yeah-yeah, yeah-yeah

G D  
 She is the river flowin' nowhere  
 Em C  
 And tin wind chimes used for doorbells  
 G D Em C  
 Fields and trees and her smell fill my lungs  
 G D  
 Spend my summertime beside her  
 Em C  
 And the rest of the year the same  
 G D  
 She is the flint that sparks the lighter  
 Em C  
 And the fuel that will hold the flame, oh

C G D Em  
 Roses, roses laid upon your bed spread, oh my  
 C G D  
 All this, all this I know

G D Em  
 That every night I'll kiss you, you'll say in my ear  
 C G  
 Oh we're in love, aren't we?  
 D Em  
 Hands in your hair  
 C G  
 Fingers and thumbs, baby  
 D Em  
 I feel safe when you're holding me near  
 C G  
 Love the way that you conquer your fear  
 Em D C  
 You know hearts don't break around here  
 Oh yeah, yeah, yeah

C G D  
 Well, I've found love inside  
 Em D C  
 The arms of the woman I know  
 C G D  
 She is the lighthouse in the night  
 Em D C  
 That will safely guide me home  
 C G D  
 And I'm not scared of passing over  
 Em D C  
 Or the thought of growing old  
 D  
 'Cause from now until I go

G D Em  
 That every night I'll kiss you, you'll say in my ear  
 C D G  
 Oh we're in love, aren't we?  
 D Em  
 Hands in your hair  
 C D G  
 Fingers and thumbs, baby  
 D Em  
 I feel safe when you're holding me near  
 C G  
 Love the way that you conquer your fear  
 Em D C  
 You know hearts don't break around here, oh yeah, yeah

G D Em  
 That every night I'll kiss you, you'll say in my ear  
 C D G  
 Oh we're in love, aren't we?  
 D Em  
 Hands in your hair  
 C D G  
 Fingers and thumbs, baby  
 D Em  
 I feel safe when you're holding me near
