

# Ed Sheeran - Hearts Don't Break Around Here

Tom: G

(com acordes na forma de C )  
Capostrate na 7ª casa

[C,G,Am,F]

She is the sweetest thing that I know  
Should see the way she holds me  
When the lights go low  
Shakes my soul like a pothole every time  
Took my heart upon a one way trip  
Guess she went wandering off with it  
None like most women I know  
This one will bring it back whole

F C G Am  
Daisies, daisies perched upon your forehead  
F C G  
Oh my baby, lately I know

C G Am  
That every night I'll kiss you, you'll say in my ear  
F G C  
Oh we're in love, aren't we?  
G Am  
Hands in your hair

F G C  
Fingers and thumbs, baby  
G Am  
I feel safe when you're holding me near  
F G C  
Love the way that you conquer your fear  
G F  
You know hearts don't break around here  
C G Am  
Oh yeah, yeah, yeah  
F C G Am F  
Yeah-yeah, yeah-yeah

[C,G,Am,F]

She is the river flowin' Orwell  
And tin wind chimes used for doorbells  
Fields and trees and her smell fill my lungs  
Spend my summertime beside her  
And the rest of the year the same  
She is the flint that sparks the lighter  
And the fuel that will hold the flame, oh

F C G Am  
Roses, roses laid upon your bed spread, oh my  
F C G  
All this, all this I know

C G Am  
But every night I'll kiss you, you'll say in my ear  
F G C  
Oh we're in love, aren't we?  
G Am  
Hands in your hair  
F G C

Fingers and thumbs, baby  
G Am  
I feel safe when you're holding me near  
F G C  
Love the way that you conquer your fear  
G F  
You know hearts don't break around here  
C G Am  
Oh yeah, yeah, yeah  
F C G Am F  
Yeah-yeah, yeah-yeah

C G  
Well, I've found love inside  
Am G F  
The arms of the woman I know  
C G  
She is the lighthouse in the night  
Am G F  
That will safely guide me home  
C G  
And I'm not scared of passing over  
Am G F  
Or the thought of growing old  
G  
'Cause from now until I go

C G Am  
Every night I'll kiss you, you'll say in my ear  
F G C  
Oh we're in love, aren't we?  
G Am  
Hands in your hair  
F G C  
Fingers and thumbs, baby  
G Am  
I feel safe when you're holding me near  
F G C  
Love the way that you conquer your fear  
G F  
You know hearts don't break around here  
C G Am  
Oh yeah, yeah, yeah

C G Am  
Every night I'll kiss you, you'll say in my ear  
F G C  
Oh we're in love, aren't we?  
G Am  
Hands in your hair  
F G C  
Fingers and thumbs, baby  
G Am  
I feel safe when you're holding me near  
F G C  
Love the way that you conquer your fear  
G F  
You know hearts don't break around here  
C G Am  
Oh yeah, yeah, yeah

## Acordes
