

Ed Sheeran - I See Fire

Tom: Db

(com acordes na forma de Capotraste na 1ª casa C)

Oh, misty eye of the mountain below
Keep careful watch of my brothers' souls
And should the sky be filled with
Fire and smoke
Keep watching over Durin's sons

(Am F G Am) 2x

Primeira Parte:

If this is to end in fire
Then we should all burn together
Watch the flames climb high into the night
Calling out father, oh, stand by and we will
Watch the flames burn auburn on
The mountain side

(Am F G Am)

And if we should die tonight
We should all die together
Raise a glass of wine for the last time
Calling out father
Prepare as we will
Watch the flames burn auburn on
The mountain side
Desolation comes upon the sky

Refrão:

Now I see fire
Inside the mountain
I see fire
Burning the trees
And I see fire
Hollowing souls
I see fire
Blood in the breeze

And I hope that you'll remember me

(Am F G Am) 2x

Segunda Parte:

Oh, should my people fall in
Surely I'll do the same
Confined in mountain holes
We got too close to the flame
Calling out father

Hold fast and we will
Watch the flames burn auburn on
The mountain side
Desolation comes upon the sky

Refrão:

Now I see fire
Inside the mountain
I see fire
Burning the trees
And I see fire
Hollowing souls
I see fire
Blood in the breeze

And I hope that you'll remember me

Terceira Parte:

And if the night is burning
I will cover my eyes
For if the dark returns then
My brothers will die
And as the sky's falling down
It crashed into this lonely town
And with that shadow upon the ground
I hear my people screaming out

Refrão:

Now I see fire
Inside the mountain
I see fire
Burning the trees
And I see fire
Hollowing souls
I see fire
Blood in the breeze

Now I see fire
Oh, you know I saw a city burning out
And I see fire
Feel the heat upon my skin
And I see fire
Uh, uh, uh..

And I see fire
