

# Ed Sheeran - Im A Mess

tom: Am Am

Ooh I'm a mess right now  
 Inside out

Searching for a sweet surrender  
 But this is not the end

I can't work it out  
 How?

Going through the motions  
 Going through us

[Pre-Hook]  
 And oh I've known it for the longest time  
 And all of my hopes all my words  
 Are all over written on the signs  
 But you're on my road walking me home  
 Home, home

[Hook]  
 See the flames inside my eyes  
 It burns so bright I wanna feel your love, nooo  
 Easy baby maybe I'm a liar  
 But for tonight I wanna fall in love  
 And put your faith in my-y stomach

[Verse 2]  
 I messed up this time  
 Late last night  
 Drinking to suppress devotion  
 With fingers intertwined  
 I can't shake this feeling  
 No-ow  
 We're going through the motions  
 Hopin' you'd stop

[Pre-Hook 2]  
 And oh I've only caused you pain

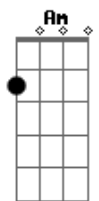

I know but all of my words  
 Will always below

Although all the lie we spoke  
 When you're on my road walking me home  
 Home, home, home

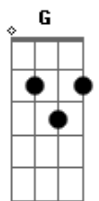

[Hook]  
 See the flames inside my eyes  
 It burns so bright I wanna feel your love, nooo  
 Easy baby maybe I'm a liar  
 But for tonight I wanna fall in love  
 And put your faith in my-y stomach

[Outro]  
 And for how long I lo-ove my lover  
 For how long I lo-ove my lover and now, now  
 For how long, long I lo-ove my lover and now, now  
 For how long, long I lo-ove my lover and now, now  
 For how long, long I lo-ove my lover and now, now  
 (And I feel love)  
 For how long, long I lo-ove my lover and now, now  
 (I feel it all over now, now and I  
 feel love)  
 And for how long, long I lo-ove my lover and now, now  
 (I feel it all over now, now and I  
 feel love)  
 For how long, long I lo-ove my lover and now, now  
 (I feel it all over now, now and I  
 feel love)  
 For how long, long I lo-ove my lover and now, now  
 (I feel it all over now, now and I  
 feel love)  
 For how long, long I lo-ove my lover and now, now  
 (I feel it all over now, now and I  
 feel love)  
 For how long, I lo-ove my lover and now, now  
 For how long, long I lo-ove my lover
