

Ed Sheeran - I'm A Mess

Tom: Eb

(com acordes na forma de C)
Capostrate na 3ª casa

Ooh i'm a mess right now
Inside out
Searching for a sweet surrender
But this is not the end

I can't work it out
How?
Going through the motions
Going through us
And oh i've known it for the
Longest time
And all of my hopes all my words
Are all over written on the signs
But you're on my road walking me
Home

Home, home
See the flames inside my eyes
It burns so bright i wanna feel
Your love, ohoh
Easy baby maybe i'm a liar
But for tonight i wanna fall in
Love
And put your faith in my-y stomach

I messed up this time
Late last night

Drinking to suppress devotion
With fingers intertwined
I can't shake this feeling
No-ow
We're going through the motions
Hopin' you'd stop
And though i've only caused you pain
You know, but all of my words
Will always be low
Although all the lies we spoke
When you're my road walking me
Home
Home, home, home, home

see the flames inside my eyes
It burns so bright i wanna feel
Your love, ohoh
Easy baby maybe i'm a liar
But for tonight i wanna fall in
Love
And put your faith in my-y stomach
And for how long i lo-ove my
Lover
For how long i lo-ove my lover
And now, for how long, long i
Lo-ove my lover
Now, now, for how long, long i
Lo-ove my lover
For how long, i lo-ove my lover
Now now, for how long, long i lo-ove my lover
