

Ed Sheeran - Miss You

Tom: Ab

(com acordes na forma de G)

Capostrate na 1ª casa
 (G) Gb C
 Shock, horror, i'm down, lost, you're not around

Theres a lump in my chest that,

Sends cold through my head and,

My mind shuts sound out, i'm on auto-pilot,

And my tongues gone silent, just switch it off and

Lay it down, lay it down, next to me

(C) D Em
 I dont know when i lost my mind,

Maybe when i made you mine,
 (C) D Em
 I dont know when i lost my mind,

Maybe it was everytime, you said, you said, you said

That i miss you, that i miss you

(G)
 These words mean nothing to me,

I'm just sitting on a fence of how it used to be,

These three words, are aching, constrict and suffocating,

(G) Gb C
 My mind is racing with the picture i'm painting, and my bellys

Sick to its stomach, when i remember all the times

He was with you when you laid it,
 C G C G
 Down, when you lay down next to me

(C) D Em
 I dont know when i lost my mind,

Maybe when i made you mine, woah,

(C) D Em
 I dont know when i lost my mind,

Maybe it was everytime, you said, you said, you said,

That i miss you, more than i let on, i kissed you

For far too long, i'll let go as soon as you do,

See i know we're not through

(C) D Em
 I dont know when i lost my mind,

Maybe when i made you mine, woah,

(C) D Em
 I dont know when i lost my mind

Maybe it was everytime, you say, you say, you say,

That i miss you, that i miss you, woah

(C) D Em
 I dont know when i lost my mind,

Maybe it was everytime, you said, you said, you said,

That i miss you
