

Ed Sheeran - Moving

tom:

G

[Primeira Parte]

G
This is the last song
I'm writing 'bout you Em
Up to now, well I'd never tried to Am
You don't feel any kind of pain
Like I do C
So let's forget it even happened, babe G
You're all I thought
About whenever I woke Em
And all I talked about whenever I spoke Am
All I'd sing when I would hit
The high notes C

And now it doesn't even matter

[Pré-Refrão]

G
If you come back
It's like we never even had that Em

Every moment Am
When you took my joy away C

All the memories mean nothing

From today

Up to now I'd nev?r hold back G
True emotions make m? feel sad Em

But I never wanna hear Am

Your name again

And go back to how it was F

Before you came

[Refrão]

G Em C D
Start moving on, moving on

G
I've been on a roll since Em C D

G Em C D
You've been gone
Start moving on, moving on

Cadd9
Out of my life, life

G Em Am C
Where you belong

[Segunda Parte]

G
This is the last time
Em

I'm thinking 'bout you
I used to cry

Am
But then was it a crime to?

I spent a lifetime trying

C
To make the right moves

And got myself caught

G
In a pattern, babe

You take a smile

Em
And then you turn it to dust

You take what's gold

Am
And then you somehow make rust

C
Every lie, it made it harder to trust

But now it doesn't even matter

[Pré-Refrão]

G
If you come back

Em
It's like we never even had that

Am
Every moment when you took my joy away C

All the memories mean nothing from today

G
Up to now I'd nev?r hold back

Em
True emotions make m? feel sad

Am
But I never wanna hear your name again

F
And go back to how it was before you came

[Refrão]

G Em C D
Start moving on, moving on

G
