tom:

C

## [Primeira Parte]

C G F  
If we make it through this year  
G C G F G  
Then nothing can break us  
C G F  
Trouble leaves, then reappears  
G C G F G  
But we've shown we can take it

## [Pré-Refrão]

Dm C G  
We tear our hair out  
G  
And overthink it  
Dm C G G  
Work and get burned out

## [Refrão]

C G  
But this is no strings  
C F  
You are who I love  
C G  
And that won't change  
Em F  
When we're falling apart  
C G  
And this is no strings  
C F  
You are who I love  
Am G F  
It's just grow-ing pains

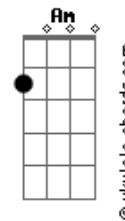

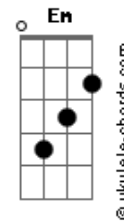

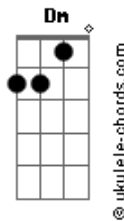

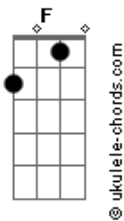

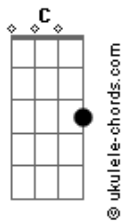

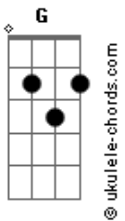

## [Segunda Parte]

C G F  
If we make it through this year  
G C G F G  
We should celebrate it  
C G F  
Rarified atmosphere  
G C G F G  
'Til now we evaded

## [Pré-Refrão]

Dm C G  
We tore the walls down  
G  
To build them up

## Acordes

Dm C G G  
Never was in doubt

## [Refrão]

C G  
'Coz this is no strings  
C F  
You are who I love  
C G  
And that won't change  
Em F  
When we're falling apart  
C G  
Yeah, this is no strings  
C F  
You are who I love  
Am G F  
It's just grow-ing pains

## [Ponte]

F C G  
We did not fight for love  
G  
Just to let it be defeated  
F C  
What we're going  
G  
Through is common but  
G  
It doesn't mean we don't feel it  
F C  
It would be easy just  
G  
To give it up  
G  
Guess we've got enough reason  
F C  
But every time  
G  
That we have come undone

## [Refrão]

C G  
I'll say, it's no strings  
C F2  
You are who I love  
C G  
And that won't change  
C F2  
When we're falling apart  
C G  
And this is no strings  
C F2  
You are who I love  
Am G F2  
It's just growing pains
