

# Ed Sheeran - One Night

Tom: A

[Verso 1]

Lying in a bedroom  
 Lighting up a Benson  
 Face hair is growing  
 So I cut with a vengeance  
 Hey, did I mention  
 As she makes an entrance  
 Said I had a tendency  
 To finish off a sentence  
 Oh well, she's a local girl  
 No make-up  
 Cos she knows me well  
 Hair tied up in elastic band  
 With a kiss on the cheek  
 For her one-night man  
 Is it fast food  
 I'll regret it after  
 And I needed money  
 But I'm too shy to ask her  
 So she buys me chips and cheese  
 And I tell her I love her  
 And she's all I need  
 I take it with a cold glass  
 Of the fruit and the barley  
 She's still a sucker for the  
 Apple and Bacardi  
 Heading to the party  
 Sitting in the car seat  
 B.E.P. on radio  
 It makes me feel naughty and lastly  
 She knows me well  
 Bit of a catch  
 To have a local girl  
 Hair tied up in elastic band  
 With a kiss on the cheek  
 For her one-night man

[Pre-Refrão]

I don't wanna go alone

I don't wanna go alone  
 I don't wanna go alone~

[Refrão]

Tell her that I love her  
 Tell her that I need her  
 Tell her that she's more  
 Than a one-night stand  
 Tell her that she turns my cheeks  
 The colour of my hair  
 All I wanna do is be near  
 Tell her that I want her  
 Tell her that I need her  
 Tell her that she's more  
 Than a one-night stand  
 Tell her that I love her  
 More than anyone else  
 If you don't, then I'll tell her myself

( Gbm A E E )x2

[Verso 2]

We've got that love in us  
 So if the drink kill us  
 We're gonna dance all night  
 Till the floor fillers  
 If we talk outside  
 I say I hate wasps too  
 I don't really dance  
 So I'll just watch you  
 Are you taking me back tonight?  
 Tell me if that's alright  
 I don't wanna be here  
 I'm not the sofa type  
 Tell me if you have a toothbrush  
 You don't mind sharing  
 She said I wanna take off  
 What you're wearing

[Pre-Refrão]

I don't wanna go alone

I don't wanna go alone  
I don't wanna go alone~

-Refrão x1-

[Bridge]

She's like the fast food  
I'll regret it after  
And I needed money  
But I'm too shy to ask her  
But she buys me chips and cheese  
So I tell her that she's all I need

[Refrão 2]

Tell her that I  
Tell her that I  
Tell her that she's more than a one-night stand  
Tell her that she turns my cheeks the colour of my hair

All I wanna do is be near

Tell her that I  
Tell her that I  
Tell her that she's more than a one-night stand  
Tell her that I love her more than anyone else  
If you don't, I'll tell her myself  
Now tell her that I love her  
Tell her that I need her  
That she's more than a one-night stand  
Tell her that she turns my cheeks the colour of my hair  
All I wanna do is be near  
Tell her that I want her  
Tell her that I need her  
Tell her that she's more than a one-night stand  
Tell her that I love her more than anyone else  
If you don't, I'll tell her myself.
