

Ed Sheeran - Overpass Graffiti

tom:

Intro: Am G F

[Primeira Parte]

Am G F Am
This is a dark parade
Another rough patch to rain on, to rain on
Am G F
I know your friends may say
This is a cause for celebration
Hip-hip-hooray, love

[Pré-Refrão]

G Am F
Photographs in sepia tones, it's so still
The fire's barely fighting the cold, alone
G Am F
There are times when I can feel your ghost
Just when I'm almost letting you go
G
The cards were stacked against us both

[Refrão]

C G Dm
I will always love you, for what it's worth
C F
We'll never fade like graffiti on the overpass
C G
And I know time may change

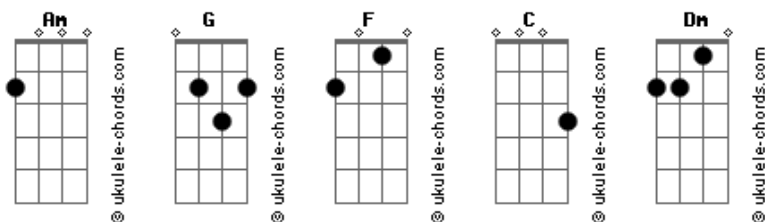

The way you think of us
Dm
But I'll remember the way we were
C F
You were the first full stop
G
Love that will never leave
Baby, you will never be lost on me
(Am G F)

[Segunda Parte]

Am G F
This is a goddamn shame
I never wanted to break it
Or leave us tainted

Am G F
Know I should walk away

Acordes

But I just can't replace us

Or even erase us

[Pré-Refrão]

G Am F
The car was stuck, the engine stalled
And both of us got caught out in the snow, alone
G
There were times when I forget the lows
Am F
And think the highs were all that we'd ever known
G
The cards were stacked against us both
[Refrão]

C G Dm
I will always love you, for what it's worth
C F
We'll never fade like graffiti on the overpass
C G
And I know time may change

The way you think of us
Dm
But I'll remember the way we were
C F
You were the first full stop
G
Love that will never leave

Baby, you will never be lost on me
(Am G)

F
Lost on me
Am G
Baby, you will never be lost on me
F
Lost on me

G
Well, I will always love you, for what it's worth
F
We'll never fade like graffiti on the overpass
C G
And I know time may change

The way you think of us
Dm
But I'll remember the way we were
C F
You were the first full stop
G
Love that will never leave
Baby, you will never be lost on me
