

Ed Sheeran - Remember The Name (feat. Eminem & 50 Cent)

Tom: E
m
Intro: Em
[Primeira Parte]
Em
Yeah I was born a misfit
Grew up ten miles from the town of Ipswich
Wanted to make it big, I wished it to existence
Em
I never was a sick kid, always dismissed quick
Bm
Stick to singing, stop rapping like it's Christmas
Em
And if you're talkin' money then my conversation's shiftin'
C
My dreams are bigger than just being on the rich list
Em
Might be insanity but people call it gifted
C
My face is going numb from the shit the stuff is mixed with
Em
Watch out the lyrics and the songs might get twisted
C
My wife wears red but looks better without the lipstick
Em
I'm a private guy, you know nothin' 'bout my business
C
And if I had my fifteen minutes, I must've missed it

[Pré-Refrão]

Em
Twenty years old is when I came in the game
C
And now it's eight years on and you remember the name
Em
And if you thought I was good, well then I'm better today
C
But it's ironic how you people thought I'd never be great
Em
I like my shows open air, Tokyo to Delaware
C
Put your phones in the air if you wanna be rup
Em
You know I want way more than I've already got
Give me a song with Eminem and 50 Cent In Da Club

[Refrão]

Em
You know it ain't my time to call it a day
C
I wanna crack on and I wanna be paid
Em
But it's 'bout time you remember the name
C
Eh-ay, eh-ay

Em
You know it ain't my time to call it a day
C
I wanna crack on and I wanna be paid
Em
But it's 'bout time you remember the name
C
Eh-ay, eh-ay (hey, hey, hey)

[Segunda Parte]

Em
I can still remember (what) tryna shop a deal (ah-ha)
Bm
From Taco Bell to T-R-L

Em
I climb the Billboard Charts to the top until as fate would
have it (yeah)

Bm
Became an addict, funny 'cos I had pop a pill

Em
But they said time would tell (what?)
C
If I'd prevail (huh?) and all I did was (what?)

Em
Put nine inch nails (where?), in my eyelids now (what?)
I'm seein' diamond sales, like I'm in Zales

Em
Without a doubt by any means, if rap was skinny jeans

C
I couldn't do anything in'em, I'd be splitting seams of denim
Bm
when I'm spitting schemes

Em
Which really means no ifs, ands or buts are squeezin' in
between

C
You sleep on me 'cause you're only fuckin' quitting in your
Bm
dreams

Em
Not even when I'm even on my death bed
C
Man I feel like Ed, it isn't time to drop the mic yet

Em
So why would I quit, the thought that I would stop when I'm
dead

C
Just popped in my head, I said it then forgot what I said

[Refrão]

Em
It isn't my time to call it a day
C
I got ret blocked and I'm already paid
Em
But it's 'bout time you remember the name
C
Eh-ay, eh-ay

Em
You know it ain't my time to call it a day
C
I got ret blocked and I'm already paid
Em
But it's 'bout time you remember the name
C
Eh-ay, eh-ay

[Terceira Parte]

Em
Ain't nobody cold as me, I dress so fresh, so clean
Em
You can find me in my whip, rockin' my Fendi drip
Bm
Man you know just what I mean

Em
Shinin' wrist with the rocks on it, brushemi's with locks on
it

C
And you think my voice song I shit knocked on it
Em
Balenciaga saga I'm a burnt off baller
C
It's just another episode my hoes, I spoil 'em

Em
She like the fly shit and I like to buy shit
C
Shit I'm gettin' stupid money, what else we gon' do with
Bm
money?

Em
 Bitch we be ballin? now, the king bring me 50 burrows
C
 Tonight we gon? blow a cheque, worry ?bout this shit tomorrow
Em
 The turn up it so real, we ?bout to be super lit
C
 Boy I?m kickin? straight facts, that?s just how we do this
 shit
Em
 Tomorrow we hangin? over ?til we start feelin? sober
C N.C.
 Then it?s time to start it over, here we go again
 [Refrão]

Em
 It isn't my time to call it a day
C **Bm**
 I got ret blocked and I?m already paid
Em
 But it?s ?bout time you remember the name
C **Bm**
 Eh-ay, eh-ay
Em
 You know it ain?t my time to call it a day
C **Bm**
 I got ret blocked and I?m already paid
Em
 But it?s ?bout time you remember the name
C **Bm**
 Eh-ay, eh-ay
