

Ed Sheeran - River (feat. Eminem)

Tom: G

I've been a liar, been a thief
 Been a lover, been a cheat
 All my sins need holy water, feel it washin' over me
 A little one, I don't want to admit to something
 If all it's gonna cause is pain
 Truth in my lies right now are falling like the rain
 So let the river run
 He's coming home with his neck scratched to catch flack
 Sweat jackets and dress slacks, mismatch
 On his breast jackets is sex addict
 And she just wants to exact revenge and get back
 It's a chess match, she's on his back like a jetpack
 She's kept track of all his internet chats
 And guess who just so happens to be moving on to the next?
 Actually, just shit on my last chick and she has what my ex lacks
 'Cause she loves danger, psychopath
 And you don't fuck with no man's girl, even I know that
 But she's devised some plan to stab him in the back
 Knife in hand, says the relationship's hanging by a strand
 So she's been on the web lately
 Says maybe she'll be my Gwen Stacy, to spite her man
 And I know she's using me to try to play him, I don't care
 Hi Suzanne, but I shoulda' said "Bye Suzanne" after the first night, but tonight I am
 I've been a liar, been a thief
 Been a lover, been a cheat
 All my sins need holy water, feel it washin' over me
 A little one, I don't want to admit to something
 If all it's gonna cause is pain
 Truth in my lies right now are falling like the rain
 So let the river run
 One night stand turned into night stayin'
 It was cold, some lights gram, y'all be hung tight and
 He found out, now she feels deserted and used
 'Cause he left, so what? He did it first to her too
 Now how am I supposed to tell this girl that we're through?
 It's hard to find the words, I'm aloof, nervous and suited

When it's too hurt but what you deserve is the truth
 Don't take it personal, I just can't say this in person to you
 So I revert to the studio like Hole In The Wall diners
 Don't have to be reserved in a booth
 I just feel like the person who I'm turnin' into is
 Irreversible, I prayed on you like it's church at the pew
 And now that I got you I don't want you
 Took advantage of my thirst to pursue
 Why do I do this dirt that I do?
 Get on my soapbox and preach, my sermon in speech
 Detergent and bleach is burned in the womb
 'Cause now with her in the womb
 We can't bring her in this world, shoulda' knew
 To use protection 'fore I bit into your forbidden fruit
 Fuck!
 I've been a liar, been a thief
 Been a lover, been a cheat
 All my sins need holy water, feel it washin' over me
 A little one, I don't want to admit to something
 If all it's gonna cause is pain
 Truth in my lies right now are falling like the rain
 So let the river run
 Ooh Ohh Ohh
 Ooh Ohh Ohh
 Always the bridesmaid, never the bride hey
 What can I say, if life was a highway
 This sequel's an enclave, I'll be swerving in 5 lanes
 Speeds at a high rate, like I'm sliding on ice made
 Thats what I made, came at you sideways,
 I can't keep my lies straight, What I made you terminate my baby
 This love triangle angle left us in a wrecked tangle
 What else can I say, it was fun for a while
 Bet I really would've loved your smile
 Didnt really wanna
 but fuck it, whats one more lie to tell an unborn child
 I've been a liar, been a thief
 Been a lover, been a cheat
 All my sins need holy water, feel it washin' over me

A little one, I don't want to admit to something
If all it's gonna cause is pain

Truth in my lies now are falling like the rain
So let the river run
