tom:  
 Dbm (forma dos acordes no tom de Am )  
 Capotraste na 4ª casa

## [Primeira Parte]

Am F  
 There's still so far to go  
 C  
 And I can't feel my toes  
 G  
 When the rain soaks through the heels  
 Am  
 And slips to the sole  
 F  
 Yeah, the blades are two feet tall  
 I wade in green  
 C  
 I'm moving forward  
 G  
 To where God only knows  
 Am F  
 Feel the wind's harsh refrain  
 C  
 Like the clouds grip my face  
 G  
 Saying it's alright to run  
 Am  
 From all this pain  
 F  
 Oh, and when it's time to go  
 With one last breath  
 C  
 That's in my lungs  
 G  
 I'll scream, "It's all for love"  
 F  
 I'll scream, "It's all for love"

## [Refrão]

C F  
 Come and kiss me, salt water  
 C  
 Oh, finally, I feel at  
 G  
 Three or four degrees  
 C F  
 I'm free in salt water  
 C  
 Embrace the deep  
 G  
 And leave everything  
 Am  
 It was just a dream

## [Segunda Parte]

F  
 I can see it up ahead  
 C  
 Where the sky meets the ground  
 G Am  
 And after that there's only moving grey  
 F  
 I am filled up with regret  
 C  
 With things I did or never said  
 G

Just leave that well alone

## [Refrão]

 Come and kiss me, salt water  
 C

## [Terceira Parte]

Am G F  
 Now I'm standing on the edge  
 C  
 Gazing into Hell  
 G  
 Or is it something else?  
 Am  
 I just can't tell  
 F  
 When there's nothing left  
 C  
 I close my eyes and take one step  
 G  
 And say, "Well, here it goes"  
 F  
 Say, "Well, here it goes"
