They gave me the heartache and in return I gave a song

Its goes o-o-on and on

C G D G
Life can get you down so I just numb the way it feels
C G D Em
I drown it with a drink and out of date prescription pills
C D Em D C
And all the ones that love me they just left me on the shelf
A7
My farewell
Am7 Am7 G C D G
So before I save someone else, I've got to save myself

G D Em C
I gave you all my energy and I took away your pain
G D Em C
'Cause human beings are destined to radiate or dream

What line do we stand upon 'cause from here it looks the same?
G D G
And only scars remain

C G D G
Life can get you down so I just numb the way it feels

Oh, I'm here again
G
Between the devil and the danger
D
But I guess it's just my nature

My dad was wrong

'Cause I'm not like my mum

'Cause she'd just smile and I'm complaining in a song

But it helps

So before I save someone else, I've got to save myself
C G D G
Life can get you down so I just numb the way it feels
