

# Ed Sheeran - Save Myself

Tom: Bb

(forma dos acordes no tom de G)  
Capostrate na 3ª casa

G D Em C  
I gave all my oxygen to people that could breath  
G D Em C  
I gave away my money and now we don't even speak  
G D Em D C  
I drove miles and miles, but would you do the same for me?  
G D G  
Oh ho-o-onestly

G D Em C  
Offered off my shoulder just for you to cry upon  
G D Em C  
Gave you constant shelter and a bed to keep you warm  
G D Em D C  
They gave me the heartache and in return I gave a song  
G D G  
Its goes o-o-on and on

C G D G  
Life can get you down so I just numb the way it feels  
C G D Em  
I drown it with a drink and out of date prescription pills  
C D Em D C  
And all the ones that love me they just left me on the shelf  
A7  
My farewell  
Am Am G C D G  
So before I save someone else, I've got to save myself

G D Em C  
I gave you all my energy and I took away your pain  
G D Em C  
'Cause human beings are destined to radiate or dream  
G D Em D C  
What line do we stand upon 'cause from here it looks the same?  
G D G  
And only scars remain

C G D G  
Life can get you down so I just numb the way it feels  
C G D Em

I drown it with a drink and out of date prescription pills  
C D Em D C  
And all the ones that love me they just left me on the shelf  
A7  
My farewell  
Am Am G C D G  
So before I save someone else, I've got to save myself

Em C  
But if I don't, hen I'll go back  
G  
To where I'm rescuing a stranger  
D Em  
Just because they needed saving just like that

C  
Oh, I'm here again  
G  
Between the devil and the danger  
D  
But I guess it's just my nature  
C  
My dad was wrong

D  
'Cause I'm not like my mum  
Em D C  
'Cause she'd just smile and I'm complaining in a song  
A7  
But it helps  
Am Am G C D G  
So before I save someone else, I've got to save myself

C G D G  
Life can get you down so I just numb the way it feels  
C G D Em  
I drown it with a drink and out of date prescription pills  
C D Em D C  
And all the ones that love me they just left me on the shelf  
A7  
My farewell

Am Am G C D G  
So before I save someone else, I've got to save myself  
Am Am G C D G  
And before I blame someone else, I've got to save myself  
Am Am G C D G  
And before I love someone else, I've got to love myself

## Acordes
