Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

[Verse 1]

G D Em C  
I gave all my oxygen to people that could breath  
G D Em C  
I gave away my money and now we don't even speak  
C D Em D C  
I drove miles and miles, but would you do the same for me?

G D Em C  
Offered off my shoulder just for you to cry upon  
G D Em C  
Gave you constant shelter and a bed to keep you warm  
C D Em D C  
They gave me the heartache and in return I gave a song  
G D G  
Its goes o-o-o-on and on

[Chorus 1]

C G D G  
Life can get you down so I just numb the way it feels  
C G D D Em  
We'll drown it with a drink and out of date prescription pills  
C D Em D C  
And all the ones that love me, they just left me on the shelf,  
my farewell  
A7 Am7 Am7 G C D G  
So before I save someone else, I've got to save my----  
self

[Verse 2]

G D Em C  
I gave you all my energy and I took away your pain  
G D Em C  
'Cause human beings are destined to radiate or dream  
G D Em D  
C  
And what line do we stand upon 'cause from here it looks the  
same?  
G D G  
And only scars remain

[Chorus 2]

self
