

Ed Sheeran - Shivers

tom:

Intro: Bm G D A

[Primeira Parte]

I took an arrow to the heart
I never kissed a mouth that taste like yours
Strawberries and something more
Ooh yeah I want it all

Lipstick on my guitar, ooh
Fill up the engine, we can drive real far
Go dancing underneath the stars
Ooh yeah I want it all

You got me feeling like

[Pré-Refrão]

I wanna be that guy
I wanna kiss your eyes
I wanna drink that smile

I wanna feel like I?m
Like my soul?s on fire
I wanna stay up all day and all night

You got me feeling like

[Refrão]

Ooh, I love when you do it like that
And when you're closer, give me the shivers
Oh baby you wanna dance 'til the sunlight cracks
And when they say the party's over

Then we'll bring it right back and we'll say

Ooh, I love when you do it like that
And when you're closer, give me the shivers
Oh baby you wanna dance 'til the sunlight cracks
And when they say the party's over

Then we'll bring it right back and we'll say

[Segunda Parte]

Into the car
On the back seat in the Moon lit dark
Wrap me up between your legs and arms
Ooh, I can't get enough

You know you could tear me apart
Put me back together and take my heart
I never thought that I could love this hard
Ooh, I can't get enough

Ooh, you got me feeling like

[Pré-Refrão]

I wanna be that guy
I wanna kiss your eyes
I wanna drink that smile

I wanna feel like I?m
Like my soul?s on fire
I wanna stay up all day and all night

You got me feeling like

[Refrão]

Ooh, I love when you do it like that
And when you're closer, give me the shivers
Oh baby you wanna dance 'til the sunlight cracks
And when they say the party's over

Then we'll bring it right back and we'll say

Ooh, I love when you do it like that
And when you're closer, give me the shivers
Oh baby you wanna dance 'til the sunlight cracks
And when they say the party's over

Then we'll bring it right back and we'll say

[Ponte]

Baby, you are so hot you make me shiver
With the fire you got, this thing is started
I don't want it to stop, you know you make me shiver-er-er

Baby, you are so hot you make me shiver
With the fire you got, this thing is started
I don't want it to stop, you know you make me shiver

Yeah, you got me singing like

[Refrão]

Ooh, I love it when you do it like that
And when you're closer, give me the shivers
Oh, baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back

And we'll say, ooh, I love it when you do it like that
And when you're closer, give me the shivers
Oh, baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back

Ooh, and we'll say, ooh, I love it when you do it like that
And when you're closer, give me the shivers
Oh, baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back
