

Ed Sheeran - The Day I Was Born

tom:

A

[Primeira Parte]

Got a call from my mother who wishes that she was here
 Couple of cards in the post that I'm readin'
 I want the warmth of the summer, the cold too cold to bear
 The only plus is the sweater I needed
 I broke apart from my lover a couple months ago
 If they were here, then I guess I wouldn't be alone
 This is the life in the city and that's the way it goes
 But it's a fine excuse just to leave it

[Pré-Refrão]

I hit her mom and I asked, "Ar? you comin' over?"
 And all I got was a shrug and then, "I don't know"

[Refrão]

And ev?ryone I know is hidden away
 Tryna make their bodies clean again
 And they don't want to celebrate
 Nobody cares this is the day I was born
 Always the month when parties come to an end
 The same excuses from every friend
 Another year and now we're here again
 Nobody cares this is the day I was born

Another birthday alone
 La-la-lay, la-la-lay
 Another birthday alone
 La-la-lay, la-la-lay

[Segunda Parte]

I hit a bar in town, get my account, start a tav
 Everyday that we're here, well, we're never gettin' back
 And so I drink for the confidence 'cause that's what I lack
 And end up talkin' to strangers and findin' another plaque
 I am denyin' in the carpet, spinnin' on my own
 Watchin' pointless shit and flickin' through my phone

Acordes

And would April be better? I guess I'll never know
 I'll take the keys from my pocket and stumble into home

[Pré-Refrão]

And I feel low, but I guess I could feel lower
 I'm headin' down and now I'm on a row

[Refrão]

And ev?ryone I know is hidden away
 Tryna make their bodies clean again
 And they don't want to celebrate
 Nobody cares this is the day I was born
 Always the month when parties come to an end
 The same excuses from every friend
 Another year and now we're here again
 Nobody cares this is the day I was born
 Another birthday alone
 La-la-lay, la-la-lay
